

City of Brodhead, Wisconsin
Brodhead Public Works/Forestry Committee Meeting
Minutes for January 7, 2019

Present: Rich Vogel, Barb Krattiger, Holly Everson, Mary Mason. Absent: Allen Bruce
Also, Present: Tim Stocks

Motion by Barb, second by Mary to approve December minutes. Motion passed

Public Appearances – None

Rich informed the Committee that there has been no progress at this time for funding the phosphorus projects.

Rich informed the Committee that the Searls Creek phosphorus projects have not been completed but are very close. He will be meeting with the engineer this week to inspect the project and discuss the progress. We were unable to meet our requirement for November and the DNR has been notified. We expect to be closer to meeting Decembers and January's requirements.

Rich informed the committee of proposed projects and needs for 2020.

Sewer system:

Replace grit removal system. Replace several building heaters. Do a sludge storage study.

Rich informed the committee that we still have I&I issues to resolve and if weather permits, we should start in 2020.

Storm Water:

Install storm sewer on E 8th and E 7th Avenue from 3rd Street to 4th Street.

Street Department:

Replace street sweeper.

Increase amount of street repairs if the Council takes out a Capital Improvement Loan.

Budget – No action.

Committee comments/questions – Nothing.

Next meeting set for, Feb 4, 2020

Motion to Adjourn by Mary, second by Barb. Motion passed.
