

City of Brodhead, Wisconsin
Brodhead Public Works/Forestry Committee Meeting
Minutes for March 3, 2020

- Call to order at 4:00 PM
- Present: Rich Vogel, Holly Everson, Mary Mason, Allen Bruce.
Also, Present: Tim Stocks. Absent: Barb Krattiger
- Discuss/Possible Action approval of February minutes: Motion by Mary, second by Allen to approve minutes. Motion passed.
- Public Appearances: Tim asked about crosswalk signals downtown if it would be possible to set something up so the pedestrian knows they are flashing. Rich will check into it.
- Committee member terms: There is some confusion about who's term is up. Mary and Holly are willing to serve another term.
- Agricultural Exemption Permits: Rich informed the Committee that there are two ag fields within the City limits that are permitted and it is time for their permits to be reissued. Notices have been sent to the property owners.
- Financing for Phosphorus projects: Rich informed the Committee that the plan is to borrow \$250,000.
- Spring clean-up issues and date; Date for Spring Clean-up is May 1st. Committee discussed past problems and how to avoid those problems this year.
- Wastewater Facility proposed projects update: Rich informed the Committee that bids are being prepared for the grit removal system. The sludge storage study will take several months.
- Street projects update: Rich updated the Committee on the plans for 2020 thru 2024.
- Budget; Discussed budget. No action.
- Committee comments or questions: Mary commented that the snow at some corners was not pushed back very well making turning difficult.
- Next meeting date and time. Rich will check to see if Thursday, April 9th will work since April 7th is election day and Holly will be working at the polls.
- Motion to Adjourn by Holly, second by Allen. Motion passed.
