2019 SUMMER APPLICATIONS: 24 new applicants have submitted their applications for a summer position with the Park & Rec. Dept. Interviews will be Monday, April 22nd. In the past, interviews were done in March but because of the band and show choir performing in Florida over Spring Break, the interviewing process is moved back.

REC PROGRAMS: The 2nd & 3rd grade youth basketball program finished up last Wednesday. The program was two 4 week sessions after school at the elementary. A 4 week Dodgeball program will be starting Wednesday, March 13th for 4th – 6th grade boys and girls. Youth Ball sign-up is underway and runs to March 15th. Pete Claustro will be back to teach a soccer program to boys and girls 4K and up. This year he would like to offer it to middle school students also. The program would tentatively start near the end of April and run into May.

OLD BUSINESS: The future dog park is underway. Wade along with help from Justin and Brad of the Streets Dept. spent 3 days in December removing scrub trees, brush and debris. When weather cooperates again, we will finish up the remainder of the cleanup project. Sager fencing will be installing the fence in April or May. A gravel parking lot will be installed on the west side of the park to keep cars off the narrow street. Donations will go towards improvements for the park – benches, trees, etc. It was also brought up to have obedience/training courses to help with fundraising. Wade will bounce these ideas off Aaron Haycraft.

NEW BUSINESS: Advertising sign letters will be mailed next week. These are for the businesses that advertise on the Legion Park big diamond. Adult Ball Meeting notices went out today, to all current and past managers of ball teams. We will be doing a lifeguarding class the third and fourth weekend of May for anyone 15 and older who is interested in taking the class.

ANY OTHER BUSINESS: none
