2017 SUMMER APPLICATIONS – The deadline for summer applications was February 28th. There are 12 new applicants and 4 prior applicants that will receive a letter explaining the interview process. The new applicants will call to reserve an interview, between Monday, March 13th and Wednesday, March 15th. The interviews will take place Friday, March 24th between 8:00 a.m. – 12:00 p.m. at City Hall.

REC PROGRAMS: A four week Dodgeball program is underway for 4th-6th grades. The program began March 1st and will finish up on March 22nd. The Youth Ball Sign-Up was Saturday, February 25th at the Bank of Brodhead.

OLD BUSINESS: Softball Letters and Advertising Letters have been sent out to past participants.

NEW BUSINESS: The Parks Department has received its new tractor replacing the old tractor that was 20 years old. This tractor is used May – August grooming ball diamonds and in the winter, a snow thrower unit is put on and used for snow removal on city sidewalks. Also, the two new mowers were delivered and the old mowers were picked up. The Parks Department since 2003 has done a “two year trade-in”, with our two mowers. This plan has really worked well for us. This keeps the machines in their 2 year warranty where we don’t get socked with a heavy maintenance bill like in the past. Volleyball thank you/summer reminder letters have been prepared and will be sent out at the beginning of April.

ANY OTHER BUSINESS: Wade told Missy, Lewie and Wally that they are up for renewals. They all wanted to remain on the Park Board.

Next meeting set for April 3, 2017

Motion by Missy, second by Wally to adjourn. Motion Passed at 5:55P.M.
