

BRODHEAD PARK BOARD MINUTES MONDAY, 05 OCT 20

Council Rep – Paul Naramore

Call to order at 5:30 pm - Present: Missy Kuebli, Becky Malkow, Paul Naramore, Wally Wilson and Wade Boegli. Absent: none

A motion to accept previous minutes: Motion by Becky, second by Wally. Motion passed.

Public Appearances: none

Committee comments or questions: none

DEPARTMENT HEAD EVALUATION: Wade handed out copies of the department head evaluation to all board members. The evaluation was gone through and discussed as a committee. After completion, each member signed off on it. The packet will be given to Personnel.

FALL PARK PROJECTS: Kids are working on staining the scoreboard and “cardboard” shed at Legion Park. Additional mulch will be added around the center playground equipment at Jaycee Park this week. The path/road through Putnam Park will be resurfaced. The basketball courts and batting cages will have cracks filled and resealed this week. These projects will be nice improvements to our parks.

REC PROGRAMS: Currently during the Pandemic, no programs are currently running.

OLD BUSINESS: none

NEW BUSINESS: Wade handed out the Fall Reminder sheet. This is a “to do” list of projects that need to be completed before the snow comes.

ANY OTHER BUSINESS: Wade wanted to thank all departments within the City for helping out the Parks department. Just in the last couple of weeks, the Water & Light helped with taking down the safety net at Legion Park, the Streets Dept. helped with removal of the volleyball poles and both departments helped with taking down, fixing and putting up the basketball hoop at Putnam Park.

Next meeting: Wally said if there isn't anything major going on during the COVID-19, he would rather wait until January 2021 before we meet again. Everyone was in agreeance.

ADJOURN: Motion by Wally, second by Missy to adjourn. Motion Passed at 5:47 pm
