Economic Development Committee

Meeting was called to order by Chairman John Bernstein at 6:30AM at City Hall.

Present were John Bernstein, Doug Pinnow, Jeff Peterson, Barb Clark, Ric Genthe.

Absent were Anna Schramke, Rich Vogel, Kari Newcomer and Barb Krattiger

Guests were Chuck Ripp and Bob Hawkins

We did not have a quorum so nothing was able to be approved.

Budget has been submitted to the City and we will find out if we were approved sometime in November after the City meeting. Barb Krattiger checked into the price of signs for the vacant buildings in Brodhead and a 24x24 sheet is \$28.00. John read a letter from the BID that offered financial support to get this project done.

Pearl Island is moving along and Paul Roemer was able to get plants from Applied Ecological and there is a schedule to get them planted. Mrs. Tresmer from the Middle School has also volunteered the students to help with projects.

Chuck Ripp presented the Ripp Property and what it entails to donate to City or Boy Scouts or Pearl Island. Bob Hawkins is very interested in property for the Boy Scouts but they can't own property under their bylaws. Will go to City Hall for further discussions.

We adjourned at 7:30AM
